ST. LUKE MEMORIAL MISSIONARY BAPTIST CHURCH

WELCOME BACK

We are glad you are here!

In response to the COVID-19 pandemic and as part of our resilience plan, we are temporarily changing the way we worship in order to safeguard the health and well-being of our congregants.

- **Service begins promptly at 10:30 am.** Members and guest are encouraged to arrive by 10:15 am. The entry door for check in will open at 9:30 am.
- **One** door (near the fellowship area) will be accessible for entry. You may exit from any door.
- All persons entering the building must complete the required attendance form and have their temperature checked.
- All persons will be required to wear a mask or covering (a mask will be provided if needed).
- Social Distancing (6 feet or more) is required.
- Seating has been identified in the Sanctuary; unavailable seating has been taped off. DO NOT remove the tape. Ushers will assist you with proper seating and request social distancing.
- Parents are responsible for close supervision and monitoring their children before, after and during worship. Parents should ensure their children are aware of social distancing and new rules.
- Nurses, Hospitality and Deacons will greet all members and guest upon entry.
- Stay prayerful about our gatherings and please cooperate with these new changes.
